Hiccup took out his notebook and placed it on the ground, and took out a map. "Where have you been?" He heard a voice. Hiccup turned around to see Astrid. "Oh you know exploring the world and avoiding my dad." "But you have been missing a lot of my wins." Astrid said with a frown. "What's going on with you and your dad?" "You know how he wants me to be chief, but its just I feel like I going to mess things up and I want to explore more with Toothless." "Hiccup your going to be chief someday." "I just don't want that someday to be today or even tomorrow." Hiccup sat down on the grass Astrid followed. She restarted one of his braids in his hair. a few minutes past. "Well I'm going back." Astrid got back and hopped off he dragon. "Hey where's Hiccup thought you would bring back unless you don't love each other any more." Snotlout said in a tone of voice that he used on Astrid. Astrid punched him. "He went exploring more, Hiccup doesn't have a lot of time to do that anymore he's going to be chief someday." "You and Hiccup should spend everyday with each other like every single second." "Sometimes you need a break from each other." Fishlegs added in the conversation. "Yeah but that's only if the couples fight." Snotlout said annoyed. "Not really." Fishlegs said, then an fight started to come, Astrid left really quietly. Astrid ran right into Stoick. "Oh hi chief." "Did you find Hiccup yet?" "Yeahâ€|but after we talked a bit he left, to explore more." "Oh can you go find him I need to talk to him." "Sureâ€|" She hesitated.
